

ALFRED POLING,

Petitioner,

v.

OCEAN COUNTY AGRICULTURE
DEVELOPMENT BOARD,

Respondent.

OAL DKT. NO. ADC 04862-2015
AGENCY DKT. NO. SADC ID #1561

FINAL DECISION

The Initial Decision granted the Ocean County Agriculture Development Board's motion to dismiss the petitioner's appeal. The administrative law judge found that the petitioner: (1) failed to establish eligibility as a "commercial farm" under N.J.S.A. 4:1C-3 of the Right to Farm Act in proceedings before the board; and (2) failed to file any papers with the Office of Administrative Law in opposition to the board's motion.

The above findings in the Initial Decision are hereby **ADOPTED**. No exceptions to the Initial Decision were filed, and we find that it was reasonable and properly based on the record.

IT IS SO ORDERED.
